Discipline and Classroom Management Policy

POLICY STATEMENT
------------------

The Ohio County High School SBDM Council adheres to the district's minimum standard code of conduct. It reserves the right to impose additional sanctions when appropriate for specific behaviors. The council may identify additional behaviors that are unacceptable and assign consequences. See the current student handbook for discipline and dress code procedures. Ohio County High School holds its students accountable to high levels of behavior expectations.

The Discipline Committee shall prepare an annual report on discipline and classroom management no later than July 1 that shall include, but not be limited to, the number of referrals of students to the principal or assistant principals, the number of suspensions shown by race and gender, the number of expulsions shown by race and gender, the number of violent incidents, and the number of student hours lost to discipline.

The Discipline Committee shall conduct an annual survey of parents, teachers, and students on their perception of the current discipline and classroom management practices and shall report the results to the school council.

Using these separate reports, the Discipline Committee shall prepare an annual report to be delivered to the council, no later than July 1, on the state of our current discipline and classroom management and shall make recommendations for amendments to our discipline and classroom management structure for the council's approval.

Date Adopted Aug. 20, 2002
